

Dr. Fereidoon Shahidi

Fereidoon Shahidi, Ph.D., FACS, FAGFD-ACS, FAOCS, FCIC, FCIFST, FIAFoST, FIFT, FISNFF, FRSC, is a University Research Professor and Distinguished Scholar in the Department of Biochemistry at Memorial University of Newfoundland.

He has authored over 1,000 publications as research papers and book chapters, 78 books, and 10 patents. His research interests are primarily in the areas of nutraceuticals and functional foods with particular attention to lipids, proteins, polyphenols, natural antioxidants and oxidation control. His work has been cited widely (see Google scholar). He has received numerous awards from different societies, including the American Chemical Society (ACS), American Oil Chemists' Society (AOCS), Institute of Food Technologists (IFT), and the Canadian Institute of Food Science and Technology (CIFST), among others.

He is currently the chair of the Scientific Council of the International Union of Food Science and Technology (IUFoST) and serves as the editor-in-chief (EiC) of the Journal of Food Bioactives (JFB) and the journal of Food Production, Processing and Nutrition (FPPN). Shahidi is the principal founder of the International Society for Nutraceuticals and Functional Foods (ISNFF), a Disciplinary Interest Group of IUFoST and Founding EiC of the Journal of Functional Foods for which he served in that capacity for 10 years. He was a principal founder of the Nutraceutical and Functional Food Division of IFT. He has trained nearly 200 graduate students, highly qualified personnel, visiting professors, scholars, and PhDs, now his colleagues in over a dozen countries.
