

## **Dr. Prof. Chin-Kun Wang**

Dr. Chin-Kun Wang is a distinguished professor in Chung Shan Medical University (CSMU), Executive Councillor of International Academy of Food Science and Technology (IAFoST), Former President of International Society for Nutraceuticals and Functional Foods (ISNFF), Fellow of IAFoST and ISNFF, Honorary President of Nutrition Society of Taiwan.

He received his Ph.D. degree from National Taiwan University and worked at Chung Shan Medical University in 1993. In 1996, he was promoted to full professor, and then took the positions of the Chair, Dean, Vice President, and President in CSMU.

His research work is focused on human clinical trials and human metabolism of medicine, nutritional supplements, nutraceuticals, herbs, and functional foods. Recently, his work is also focused on precision nutrition by using big data. He received the National Award of Biomedicine for his outstanding contributions to medical education in 2008. He was also awarded the outstanding research of many societies from 2009 to 2022. For food safety and nutrition, he promoted the legislation for school sanitary law and national nutrition law.

His future plans include working together with other scientists globally to promote the advanced development of food science and technology.
