MESSAGE FROM THE ISNFF

Greetings from the ISNFF! We hope you all the best as we near the end of the semester in Canada and embrace with the warm wealth in Spring.

It seems we just wrapped up the 16th ISNFF conference and exhibition held in Wuxi, China last December. The 2025 (17th) ISNFF conference and exhibition, which will be held in Sept. 14-20th at Ho Chi Minh City, Vietnam, is approaching fast. On behalf of the Organizing Committee, we would like to extend our warmest invitation to you all to attend this exciting conference. Please read on to find more information about Abstract Submission, Registration, Student Presentation Competition, Awards, Exhibition and Sponsorship Opportunities. We look forward to hearing your latest findings and developments, to meeting old friends and making new ones. We encourage you apply for/nominate your students and colleagues for the well-deserved the Fereidoon Shahidi Fellowship Award, Young Scientist Award, Industry/Institution Merit Awards, Individual Merit Awards, and the prestigious ISNFF Fellow Award. Please note early bird registration is due on **July 14, 2025**, inquiries about the conference including abstract, registration and sponsorship and awards should be directed to the ISNFF office (isnffsecretary@gmail.com) and Professor Chi-Tang Ho (ctho@sebs.rutgers.edu), respectively. The conference hotel, **Saigon Prince Hotel**, offers a wide range of accommodation styles and is within walking distance to Ben Thanh Market, the Opera House and the Saigon River.

Ho Chi Minh City, formerly known as Saigon has a population of about 9 million people. It is a vibrant city with both traditional and historic buildings as well as modern ones.

We look forwarding to welcoming you in Ho Chi Minh City!

Sincerely,

Dr. Fereidoon Shahidi (Principal Founder and Executive Board Member of ISNFF)
Dr. Jianping Wu (ISNFF Chair)

INFORMATION on the 2025 ISNFF CONFERENCE and EXHIBITION

The International Society for Nutraceuticals and Functional Foods (ISNFF) is pleased to welcome you to the 2025 (17th) Annual Conference & Exhibition on Functional Foods, Nutraceuticals, Natural Health Products and Dietary supplements, to be held in **Ho Chi Minh City, Vietnam**, on **September 14-17, 2025** (with an optional extension from September 18-20, 2025), co-organized by International University and Vietnam National University.

As we continue to advance scientific dialogue and innovation in our field, we are thrilled to host this year's conference in the vibrant and culturally rich city of Ho Chi Minh. The 2025 meeting promises to be another exceptional gathering of scientists, industry professionals, academics, and students from across the globe who are committed to shaping the future of health through functional foods and nutraceuticals.

ISNFF Conferences and Exhibitions continue to highlight cutting-edge research and foster collaboration through engaging keynote lectures, symposia, and poster sessions. **Oral and poster abstracts** are now invited to submit using [the online abstract submission system](#).

As part of our commitment to supporting emerging scholars, we are proud to once again host the **Student Presentation Competition**, aimed at recognizing outstanding student research in functional foods, nutraceuticals, and natural health products. Interested students should indicate their wish to participate during abstract submission. From the submitted abstracts, 20 students will be selected for a **3-minute flash presentation and Q&A**. Winners will be announced during the conference and will receive a **plaque and monetary award**.

We are also honored to present the **Fereidoon Shahidi Fellowship Award**, which recognizes an outstanding graduate student for their research excellence and contributions. Additionally, the **Young Scientist Award** will be presented to a promising early-career researcher (under the age of 40), both of whom will deliver special presentations at the conference.

To further celebrate excellence, the Society will also present **Industry/Institution Merit Awards, Individual Merit Awards**, and the prestigious **ISNFF Fellow Award** for members with over 10 years of distinguished service and scientific contribution to the field. Please refer to [award details](#).

Our **Exhibition Hall** will feature companies and institutions showcasing the latest products, technologies, and services related to functional foods and dietary supplements. We also welcome sponsorship at the Platinum, Gold, Silver, and Bronze levels, along with Luncheon Sponsorships that include valuable presentation opportunities. Sponsors can highlight their innovations directly to conference attendees. For booth reservations and full sponsorship details, please reach out to isnffsecretary@gmail.com.

We look forward to welcoming you to **Ho Chi Minh City** for an inspiring and impactful event. Let's reconnect with familiar faces, forge new collaborations, and continue shaping the future of health together.

Further details including accommodations are available on [the conference website](#).

UPDATES ON SOCIETY JOURNALS

The Journal of Food Bioactives (JFB), a dedicated publication of ISNFF, was launched in 2018 and completed another successful year having published 4 volumes (25-28; please see isnff-jfb.com) in 2024. Please note that papers presented during ISNFF Conference and Exhibition may be submitted for publication consideration to the Journal of Food Bioactives <isnff-jfb.com>. To review the published manuscripts please refer to the journal website.

UPCOMING NUTRACEUTICALS AND FUNCTIONAL FOODS EVENTS

2025

June 2025

3-5; 5th International Conference on Conference on Food Bioactives and Health, Marseille, France

June 2025

9-11; 4th International Symposium on Bioactive Peptides; Kyoto, Japan

July 2025

7-10; International Congress on Polyphenols (ICP), Turku, Finland

13-16: IFT FIRST Annual Meeting and Food Expo, Chicago, Illinois, USA

August 2025

17-21; American Chemical Society Fall 2025 Meeting; Washington, DC, USA

September 2025

16-20; ISNFF 2025 Annual Conference & Exhibition, Ho Chi Minh City, Vietnam

October 2025

14-16; 4th Food Chemistry Conference: Reshaping Global Food Systems, Glasgow, UK

December 2025

15-20; Pacifichem 2025, Honolulu, Hawaii, USA
