

## International Society for Nutraceuticals and Functional Foods

ISNFF Newsletter  
December 2016

Volume 9, Issue 1/2

### Message from the ISNFF

We are only days away from the end of December and from the holiday season and it is timely to wish you and yours all the best for 2017 with complete success, health, and happiness. The year 2016 was yet another successful year for the International Society for Nutraceuticals and Functional Foods (ISNFF). The Annual Meeting, held in Orlando, Florida, USA, from October 9 to 13, 2016, was outstanding, despite the unfavorable climate and hurricane with some 300 participants from around the globe and from thirty countries.

The Fereidoon Shahidi Fellowship recipients were Mr. (now Dr.) Adriano de Camargo from the University of Sao Paulo, Brazil, and Mr. JuDong Yeo from Memorial University of Newfoundland, Canada. The Merit Award of the Society went to Dr. Kenji Sato from Kyoto University, Japan for his outstanding contributions to the advancement of functional foods and to the ISNFF. Meanwhile the best poster awards went to Won Young Oh (Canada; 1st place), Yi-Chun Han (Taiwan, 2nd place), Jiro Koizumi (Japan, 3rd place), and Priyanka Mangal (India, 3rd place). The book draw prize was received by a dozen of participants during the closing of the meeting. We thank Taylor and Francis (CRC) and Blackwell-Wiley for providing copies of the books.

The Annual General Meeting of the ISNFF was held on October 11, 2016 and since this was an election year, the new slate of elected executives are Dr. Cesarettin Alasalvar as the Chair, Dr. Chin-Kun Wang as the Past Chair, Dr. Kazuo Miyashita as the Chair Elect, Dr. Bradley Bolling as the Secretary, and Dr. Rotimi Aluko as the Treasurer. The other executive Board members include Dr. Chi-Tang Ho and Dr. Fereidoon Shahidi. The members-at-large that will continue in this capacity are Dr. Gow-Chin Yen from Taiwan, Dr. Se-Kwon Kim from the Republic of Korea, Dr Rong Tsao (Cao) from Canada, Dr. Hanny C. Wijaya from Indonesia, and Colin Barrow from Australia.

The Journal of Functional Foods, the official journal of the ISNFF, also had a successful year with receiving an impact factor (IF) of 3.97, placing it as the 3rd research journal in the field. We are grateful to all those who contributed to this success. The Associate Editors Dr. Rotimi Aluko, Dr. Wally Yokoyama, Dr. James Seiber, Dr. Kieran Tuohy, and Dr. Mingfu Wang as well as all members of the JFF Editorial Board, especially Dr. Chi-Tang Ho, are to be commended for their excellent efforts. I should also take the opportunity to thank all of the reviewers of the journal, without whom the work would not have been possible.

The 2017 Annual Conference and Exhibition of the ISNFF will be held in Jeonbuk, South Korea, October 22 to 25. The conference will conclude with technical and cultural tours in the afternoon of October 25, 2017. The local organizing committee, composed of world class experts has planned an exciting event for you.

We look forward to seeing you all at our Annual Meeting in 2017.

Fereidoon Shahidi  
Founder and Executive Committee Member
